Winemaking Notes:

The longest-living of our Shiraz wines wear the 'Black Hinge' label with pride. Power and richness, but balanced, in ripeness, alcohol, and oak. A small open fermenter, perfect for gentle hand plunging, was used to ensure soft but thorough cap management. Run to barrel for natural malolactic fermentation and a long sleep of 16 months in fine French oak barrels.

Vineyard Report:

Entirely produced from vines grown at Pindarie. The Black Hinge Shiraz for the 2020 vintage was selected from the lower section of "Tony's Block Shiraz", on our famous Terra rossa soils. Growing on sloping aspects gives us flexibility as to where we select the grapes in accordance with the season and allows for creative diversity in winemaking. Every season is different!

Picking Season: 12th March 2020

Cellaring: 10+ years

Alcohol: 14.5%

Tasting Note:

The final wine has terrific structure, is concentrated, dense, and rich in spices and berry fruits leaving you with a luscious lingering mouth feel from every sip. It will reward the consumer with drinking pleasure for at least a decade. Not unlike the 2013 vintage that's still ageing well.

Food Pairing: Ideal with dishes rich in beef, especially Wagu.
